

OneOmics

One cloud.
Countless opportunities.

OneOmics

One cloud. Countless opportunities.

OneOmics Suite is available on demand. No more queues, no backlog of samples waiting to be processed. Just secure, precise information at revolutionary speeds.

The Power of Precision

OneOmics

See through the lens of multi-omics tools.

Allow researchers on your project to distill data and visualize them differently, enabling biological meaning to be separated from the chaos.

The Power of Precision

OneOmics

Discover one place to collaborate.

Log in, process samples, and find a whole data universe at your fingertips. OneOmics Suite is accessible from a computer or mobile device, empowering all researchers involved in your project, whenever and wherever they are in the world.

The Power of Precision

OneOmics

Accessibility, power and precision, all in biological context.

Streamline the analysis of your multi-omics data sets with the versatility of OneOmics Suite.

Extract and visualize data generated from proteomics, metabolomics, and genomics projects on a single platform, turning them into biological insights quickly, and sharing those results widely and easily with your collaborators.

The Power of Precision

Getting started with large-scale proteomics in the cloud.

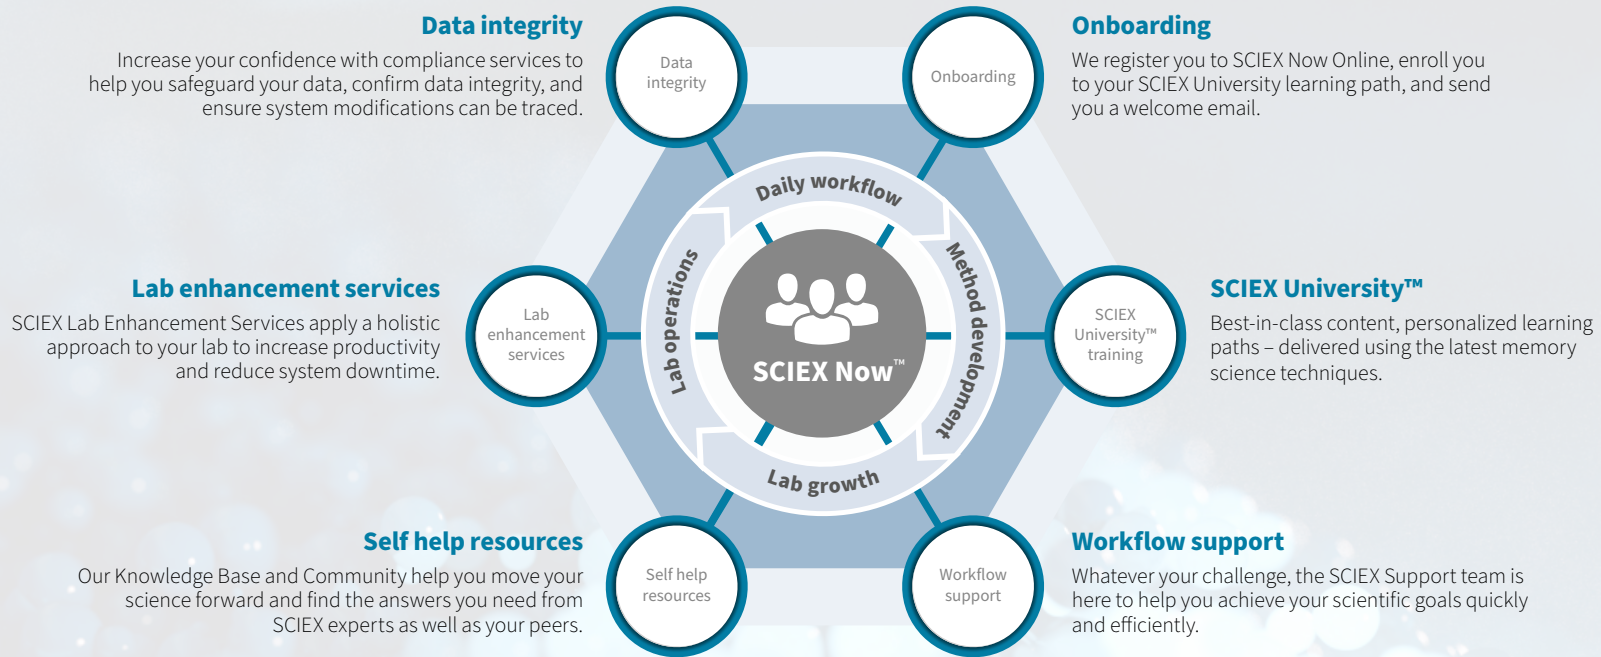

More samples! More results! See how quickly you can perform protein ID experiments or generate new ion libraries with the power of the cloud.

See the benefit of multi-omics analysis in characterizing complex biological processes

SCIEX Now™ Support Network

Start your path to success: sciex.com/sciexnow

The SCIEX clinical diagnostic portfolio is For In Vitro Diagnostic Use. Rx Only. Product(s) not available in all countries. For information on availability, please contact your local sales representative or refer to <https://sciex.com/diagnostics>. All other products are For Research Use Only. Not for use in Diagnostic Procedures. Trademarks and/or registered trademarks mentioned herein, including associated logos, are the property of AB Sciex Pte. Ltd. or their respective owners in the United States and/or certain other countries. © 2021 DH Tech. Dev. Pte. Ltd RUO-MKT-07-9660-B
