

Making the complex routine: PFAS testing with mass spec

Meet regulatory limits and quantify PFAS in water High sensitivity and precision at low parts-per-trillion!

System, method implementation, service and support:

- Per- and polyfluorinated alkyl substances (PFAS) continue to persist throughout the environment. Concerns about the health dangers posed by these contaminants, along with the possible biological toxicity of legacy PFAS such as perfluorooctanoic acid (PFOA) and perfluorooctane sulfonate (PFOS), have led to the introduction of more stringent regulatory levels.
- Sensitivity challenges and sample preparation workload can be barriers to success and compromise Return on Investment.

The SCIEX Triple Quad™ 6500+ LC-MS/MS System with direct large volume injection methods changes all this.

The SCIEX Triple Quad 6500+ System bundle includes:

- SCIEX Triple Quad™ 6500+ System with IonDrive™ Turbo V Ion Source (including ESI and APCI probes)
 - 2D ExionLC™ AC System **configured for direct large volume injection workflow**
 - PFAS Analysis Pump Conversion Kit and PFAS Analytical Column Set
- Workstation and software starter kit, including a SCIEX OS-MQ Software 2.0 processing license
- Application specific 6-day on-site training program, **including method implementation**
- Access to 100+ SCIEX University™ online training courses
- 2 year warranty, including:
 - Full parts and labor coverage for your LC and MS
 - Remote support plan, including access to SCIEX Now™ Visual Assist support and StatusScope® Remote Monitoring Service

*Terms and conditions:

This promotion of a SCIEX Triple Quad 6500+ System bundle includes the following products: 5062195, 5082180, 5036665, 5036660, 5079982, 4466125, 4463926, 5036649, 228-61450-41, 4466168, TRNLP003, N020-0514, ABSX CP MS-PARTS | Triple6500+, ABSX CP LC-PARTS | EXIONPUMPAC, 5058495 and 5045276. This promotion cannot be combined with other promotions or discounts and is not retroactive. No substitutions or swap outs are allowed. The offer is not convertible to cash. This offer cannot be used in conjunction with any other offer and has no cash value. Other restrictions may apply. Purchase order must be received by 30 November 2021. Void where prohibited. Warranty: 24 months from the date of installation or 27 months from the date of shipment, whichever is earlier. Promotion available in EMEA channel partner region; contact your SCIEX representative for specific country availability.

The SCIEX clinical diagnostic portfolio is For In Vitro Diagnostic Use. Rx Only. Product(s) not available in all countries.

For information on availability, please contact your local sales representative or refer to <https://sciex.com/diagnostics>.

All other products are For Research Use Only. Not for use in Diagnostic Procedures. Trademarks and/or registered trademarks mentioned herein, including associated logos, are the property of AB Sciex Pte. Ltd. or their respective owners in the United States and/or certain other countries.
