

# Certificate of Analysis

**Product** : Sequazyme™ Protein Digest Standards Kit  
**Part No.** : 4317025  
**Lot No.** : 0603015  
**Release Date** : 25 April 2006

## Physical Inspection

To verify conformity of component assembly to our manufacturing standards, samples of the finished package are visually inspected to verify correct assembly and labeling.

Physical Inspection = PASS

## Identification by Mass Spectra

To verify conformity of component assembly to our manufacturing standards samples of the digests are tested to verify spectrum and mass assignments with reference values.

Identity = Pass

## WARRANTY STATEMENT

*Every consumable product provided by Applied Biosystems is guaranteed to perform as specified for one year from the date of shipment, unless otherwise indicated on the product label. If you have a question, call your local Applied Biosystems Customer Service Representative for assistance.*
